CONTENT AND SCOPE OF THE COLLECTION

The Family Records of the Brown Family is a photoreproduction of a typewritten manuscript (carbon copy) in the possession of George F. Brown of Pineville, West Virginia. It contains genealogies of the Dumall family, the Wallace family of Illinois, the Frazier and Ferrel family of Ohio and West Virginia, and the Fritts family of Nebraska. A lengthy section is devoted to the Brown family which settled in western Pennsylvania, the northern panhandle of West Virginia, and Belmont and Jefferson Counties, Ohio. Also included is a list of the descendants of William Brown and Hannah Milligan, and a biography of Frank Brown, the compiler.
